

Annual Partner Opportunities 2024-2025

A Letter from Our Leadership

Amy Brand and Evan Deoul

Philanthropy Tank is turning 10! Cheers to kicking off our 10th Anniversary season!

We could not have reached this significant milestone without you – our leadership, volunteers, partners, donors, coaches, mentors, and tremendous nonprofit community. And of course, we celebrate our inspiring student CHANGEmakers who have created change and continue to make impactful change through their solution-driven programs.

It is our mission to empower the next generation of nonprofit leaders and grow the future of philanthropy. We began this journey by identifying and equipping students with the resources to kick-start their own programs. Now, we have evolved our organization to meet students where they live and go to school through a cooperative partnership with the School District of Palm Beach County that has enabled the formation of Philanthropy Tank Clubs. Philanthropy Tank is reaching more teens and introducing them to key issues in our local neighborhoods while connecting them to future volunteer and immersive opportunities, thus developing a new culture of philanthropy. Our future includes the creation of partnerships that lead to internships and career pathways. Through this effort, we are contributing to the future pipeline of qualified individuals who will join the nonprofit sector as professionals, future board members, and informed funders.

So, we invite you to the party! If you have already been a participant, we thank you and appreciate your continued support! If you are new to our organization, pull up a seat at our table and join us for the celebration. There are plenty of ways to get involved and invest in Empowering CHANGEmakers!
